Be open...to God's healing spirit and love in the Body of Christ...

... listen to the stories of others, like you, who share what they've learned...

...share your own story through art, activities, song, and small group discussion

Be nourished ...physically and spiritually...

...enjoy food and fellowship and fun with old and new friends...

...savor times of silence and prayer, meditation and devotion

Be assured...nothing is expected or required...

*...only your presence and open mind and open heart... everything else is between
you and God*

Won't you accept this gift from God and DVLC and discover where it leads?
