

CONTINUING RESOLUTION (DRAFT)
For
DUNGENESS VALLEY LUTHERAN CHURCH

On this date, _____, the Congregation Council of Dungeness Valley Lutheran Church approved this Continuing Resolution which describes the functions of the following committees:

1. **Education Committee** coordinates the development and execution of the various Christian education programs for children and adult members of the congregation. Their programs are funded as part of the annual operating budget approved by the congregation.
2. **Evangelism Committee** develops programs and advertising to reach out to the community as a means of inviting others to join us in sharing the good news of God's love. Their programs are funded as part of the annual operating budget approved by the congregation.
3. **Facility Use Committee** develops recommendations for policies and guidelines for the use of DVLC facilities of DVLC by members of the congregation and non-members. This committee does not require any funding.
4. **Fellowship Committee** purchases the coffee that is served after Sunday worship services and plans special fellowship events periodically for the congregation. Their purchases and programs are funded as part of the annual operating budget approved by the congregation.
5. **Finance Committee** provides support to the Treasurer, Financial Secretary, and Congregation Council in their management of financial matters for the congregation including the coordination of the development of the proposed operating budget and the recruitment of Audit Committee nominees. Their function is funded as part of the annual operating budget approved by the congregation.
6. **Health And Caring Ministry** provides health related information to the congregation and coordinates our congregation's participation in outside projects such as the Light Lunch program. Their programs are funded as part of the annual operating budget approved by the congregation.
7. **Library Committee** organizes the library and evaluates books that are donated to ensure they are appropriate for our library. Any expenses are funded from designated contributions to the Library Fund.
8. **Mission Concerns Committee** distributes DVLC's local benevolence to various local agencies which is funded as part of the annual operating budget approved by the congregation.
9. **Parish Ministry Team** distributes money from the Agape Fund to members of the congregation who have immediate financial needs. Funds in the Agape Fund come from designated contributions.
10. **Personnel Committee** develops recommendations for personnel policies, coordinates staff evaluations, assists in the hiring of new staff, and recommends staff compensation for the development of the proposed annual operating budget. This committee does not require any funding.
11. **Property Management Committee** is responsible for the operation, maintenance, and insurance of

the buildings and property. Funding is included as part of the annual operating budget approved by the congregation.

12. **Stewardship Committee** develops and implements the annual Stewardship Program. Funding is included as part of the annual operating budget approved by the congregation.

13. **Worship and Music Committee** works with the pastor to develop our worship services. Funding is included as part of the annual operating budget approved by the congregation.
